

DISCLAIMER: The information contained in these reports is a compilation of research using various source materials such as census records, church records, bygdaboks, etc. It also contains information from charts submitted by folks for the Voss Emigration project which has not been confirmed. Please use these charts as a launching point for your own research and confirm each detail as there are likely errors to be found. If you find any you may contact me using the [Contact Form](#). In many cases there is much more information available which has not been included on the "bare bones" outline chart.
